Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 17 references to be considered by the Examiner. Also enclosed are 9 foreign patent references as listed on the Information Disclosure Statement.

Additionally, Applicant wishes to make the Examiner aware of the following file history documents in issued patents and pending applications related to the above referenced application. While many of these documents are available electronically through the USPTO's electronic filing system, Applicant can provide the Examiner with any of the documents listed below upon request. The claims of the present application are different and possibly broader in scope than any pending claims in any related application or issued claims in any related patent. To the extent that any amendments or characterizations of the scope of any claim or cited art could be construed as a disclaimer of any subject matter supported by the present disclosure, the Applicant hereby rescinds and retracts such disclaimer. Accordingly, the art listed, referenced, cited and/or relied upon in the present application, or in any of the Office Actions identified below, may need to be re-visited.
